RE: Tennis Courts:

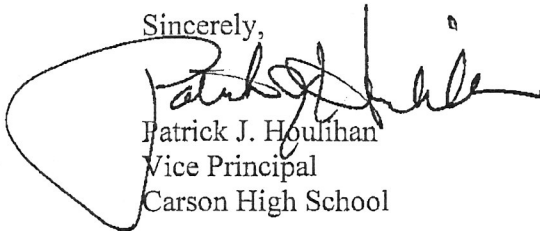

To Whom It May Concern:

Carson High Athletic Department recently refurbished four existing tennis courts along with constructing four new additional courts totaling eight courts in all. Richard Zaino was selected because of his specialty of the bidding process and the knowledge of the tennis industry at the highest level. Our courts are without a doubt the best high school courts in Northern Nevada. We have since hosted the Northern Nevada Regional Tennis tournament and also the Nevada State Tennis tournament when the North hosts this event every two years. Our facility resembles a racquet club atmosphere and the courts with the plexipave surface can not be rivaled with any other tennis surface in our area.

When the players walk off the courts after playing at Carson High School comments are heard of how wonderful the courts play. Richard Zaino delivered to our area and our school the finest product one could have imagined.

Zaino Tennis Courts serve a great product and Richard took the time to walk you through the complete process. I highly recommend this company for the serious tennis program.

Sincerely,

Patrick J. Houlihan
Vice Principal
Carson High School
