

**THE METROPOLITAN WATER DISTRICT
OF SOUTHERN CALIFORNIA**

Synthetic Turf

Qualifying Products List

January 14, 2010

Any synthetic turf currently on the market qualifies for *SoCal Water\$mart* rebates. You can purchase synthetic turf directly from manufacturers or distributors, through your local turf installation contractor, or from select do-it-yourself centers.

Please note that only replacements less than 1/2 acre are eligible for rebates. Replacements greater than 1/2-acre will not receive funding.

Important consideration before installing synthetic turf: Some communities and homeowners associations (HOA) place restrictions on the installation of synthetic turf in front yards or at all. *Please check with your HOA or city planning department before purchasing or installing synthetic turf.*
